

VI Paralotniowych Mistrzostw Polski w celności lądowania 2021

(Polish Accuracy Open 2021)

Organizers of the competition: Aeroclub of the Lubuskie Region

Date of the competition: June 11, 2021 to June 13, 2021

Location of the competition: Aeroclub of the Lubuskie Region- Przylep / Zielona Góra

The rulebook of the competition and regulations are described in detail on the website:

https://kadraparalotniowa.pl/polish_accuracy_open2021/

We're pleased to invite all pilots interested in sports competition for Polish Accuracy Open competition. A maximum of 40 pilots will take part in the event, so we encourage you to register in advance. Priority will be given to pilots with a valid FAI sports license for the 2021 season.

Participation rules:

- valid Paraglider Certificate entitling to perform free flights.
- confirmation of winch take-offs training
- FAI sporting license,
- liability insurance covering paragliding flights and sports competition,
- complete set of airworthy paragliding equipment. EN certified paraglider,
- tow release,
- 2m radio station

Please be advised that during registration at the airport, documents authorizing to fly, sports licenses and liability insurance policy will be verified. Failure to make the above-mentioned available for scanning will result in the lack of permission for flights.

*Participation in the competitions of paragliding pilots without an FAI sports license is allowed. Pilots who do not have an FAI sporting license will not be classified in the competition for the title of Polish Champion. The title of the Polish Champion may be obtained only by a pilot holding an FAI sporting license.
